# Main Activity

Today we are going to

total coins

and order the amounts on a number line.

What is the total amount in your bag?

I have some money in plastic bags.

What is the total amount in your bag?

How did you total the number of coins?

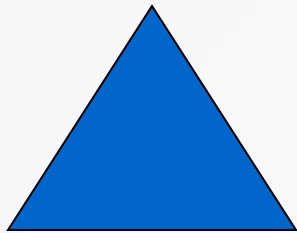

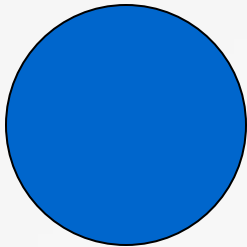

# Top Tip

When counting coins  
start with coins  
that are multiples of ten.

Place your amounts on a number line.

How did you choose where  
to place your coins?

# Group Work

Total coins and place the total on  
a number line.
