

Dr Fog Presents

**'More'
and
'Fewer'**

Reception (National Numeracy Strategy)
(Based on DFEE Sample Lessons)

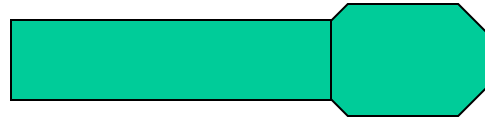

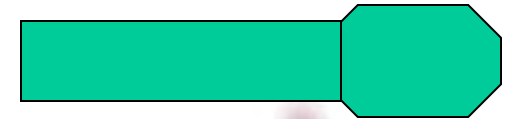

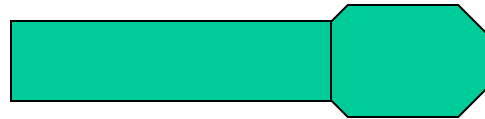

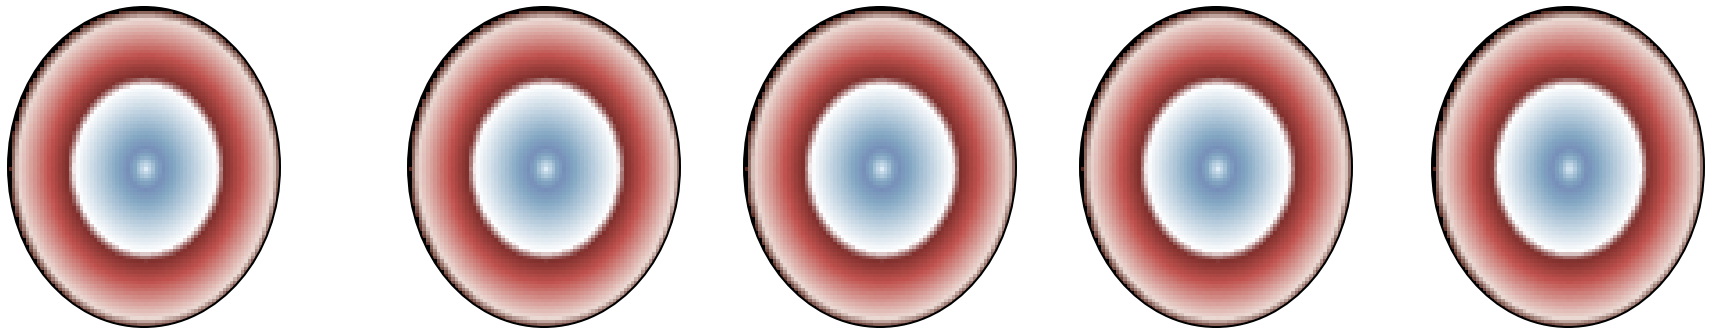

Mental Learning Objective

- Counting and writing numbers.
- Comparing and matching numbers of things.

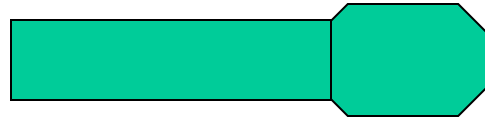

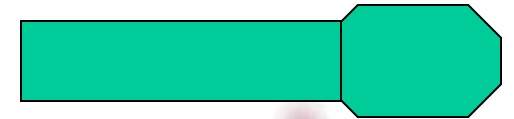

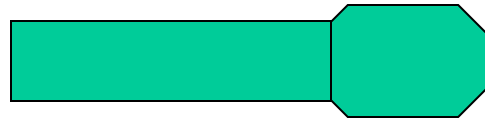

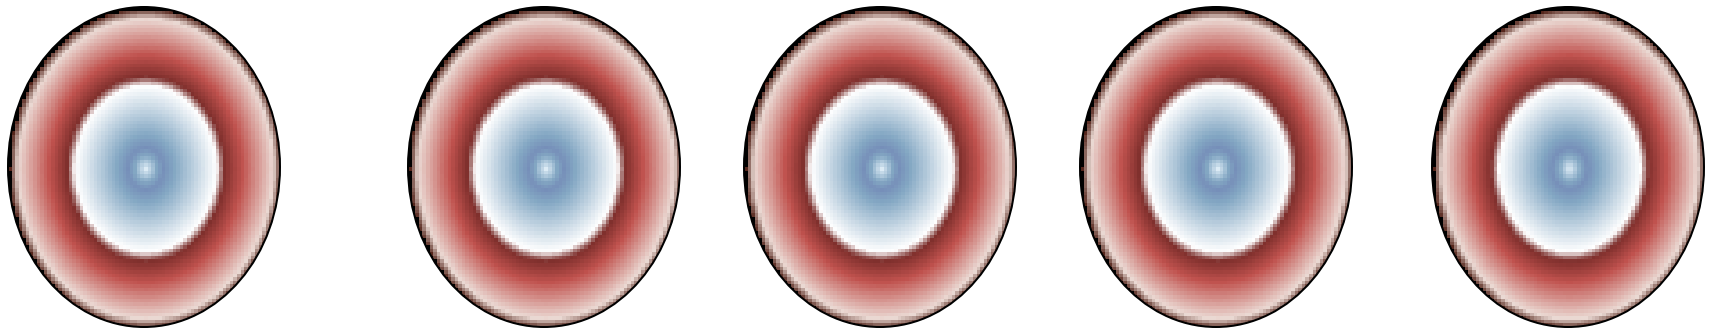

Mental Learning Task

- Are there more dishes or more spoons?

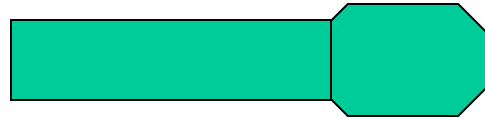

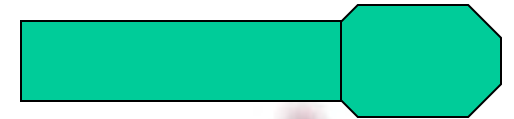

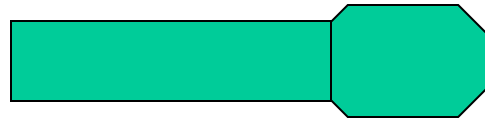

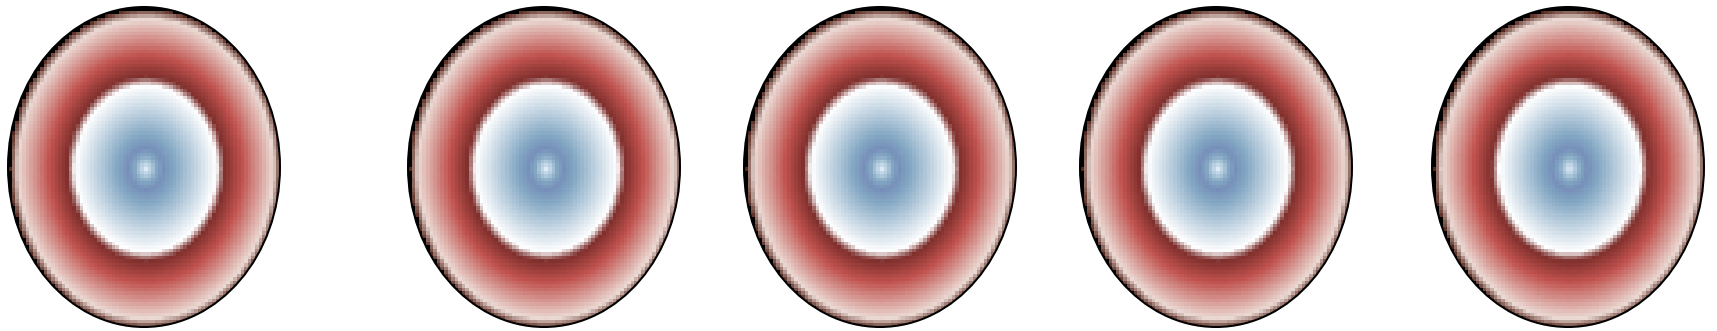

Mental Learning Task

- There are more dishes than spoons.

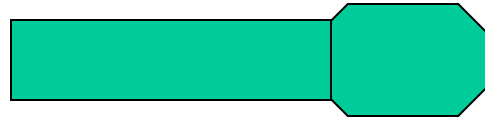

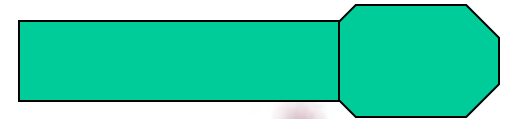

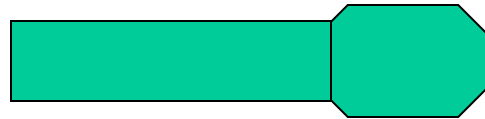

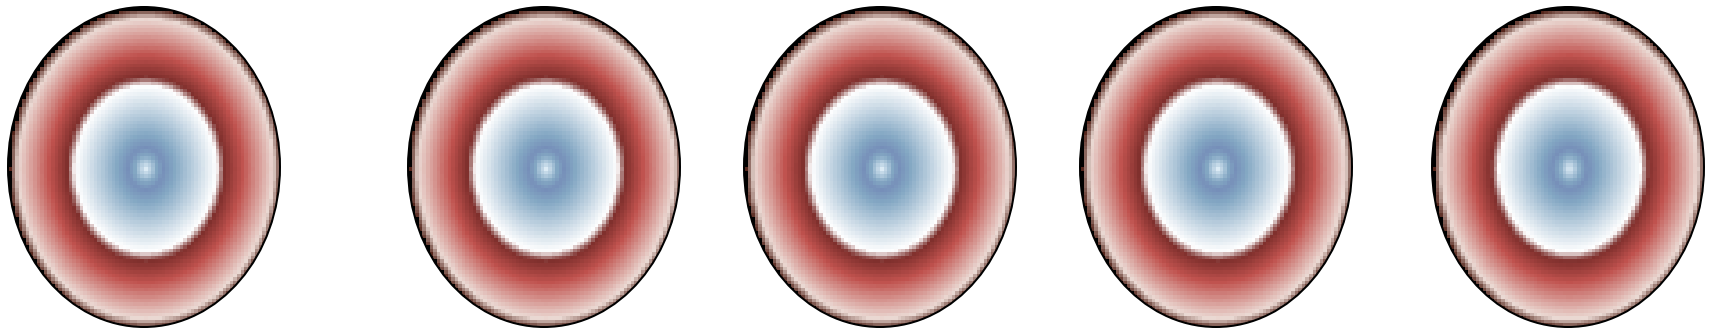

Mental Learning Task

- There are less spoons than dishes.

Mental Learning Task

- Can you write the number of dishes and spoons on the blackboard?

Mental Learning Task

- How many more spoons do we need so each plate has a spoon?

Mental Learning Task

- Your teacher will now show you different sets of things.
- Which group has more?
- Which has less?

Mental Learning Objective

- Counting and writing numbers.
- Comparing and matching numbers of things.

Main Learning Task

- This activity is for the whole class to work together.
- You need some cubes, a set of cards numbered 1-6, a dice.

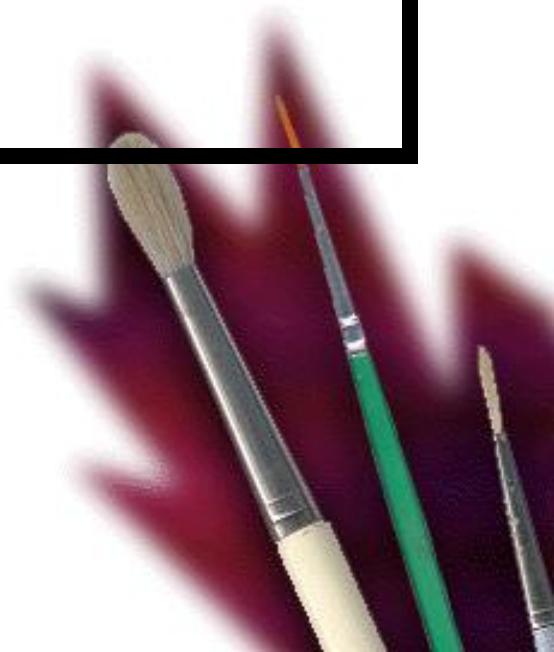

Main Learning Task

- Call out one of the children
- Ask them to take a card from the pile
- Read out the number.

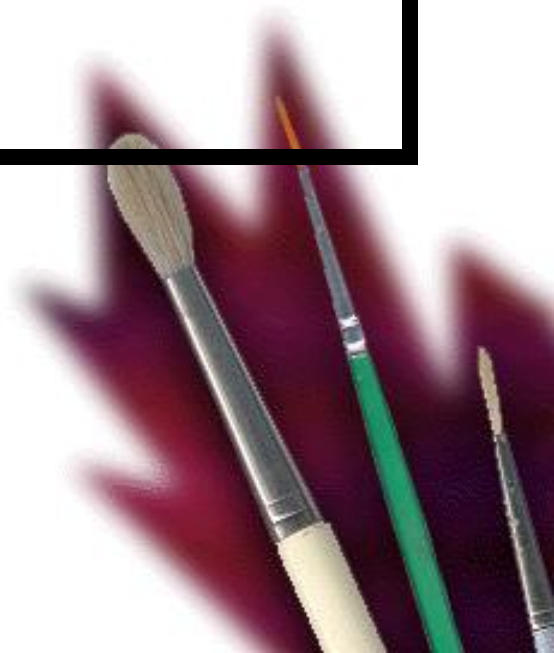

Main Learning Task

- Write this number into the grid and draw the number of spots in the box below.

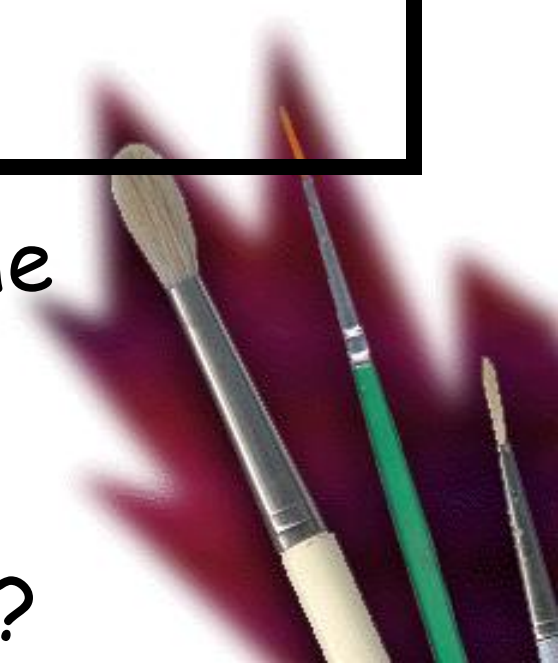

Main Learning Task

- Throw the dice again.
- Read out the number.
- Write if 'More' or 'Fewer' in top right box

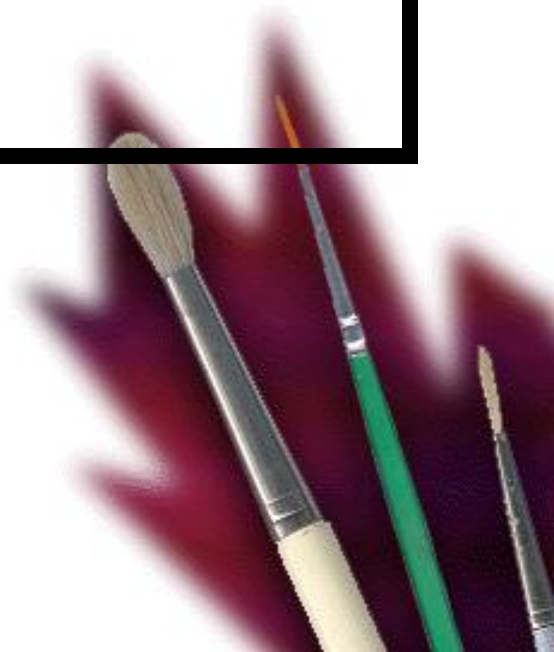

Main Learning Task

- Draw more or fewer spots in the box below.
- How many spots have you drawn?

Main Learning Task

- Now you try again with your teacher.

Main Learning Objective

- Counting and writing numbers.
- Comparing and matching numbers of things.

Plenary

- If I picked a six and the dice said more, how many cubes could I put in the other box?
- What other number could I put there?
