

Summer Term

Lesson 1:	Week 1
Title	Counting and Properties of Numbers
Learning Objective:	<ul style="list-style-type: none"> <li>● recognise odd and even numbers</li> <li>● understand what is special about odd and even numbers</li> <li>● count on and back in twos.</li> </ul>
Mental Warm Up:	Counting on and back in ones. Counting on and back in tens.
Main Lesson Idea:	Today we are going to investigate sharing by 2.
Educational Challenges	<ul style="list-style-type: none"> <li>● Investigate which numbers can be shared equally by 2. Look for patterns and predict results.</li> <li>● Investigate which numbers less than 30 can be shared equally by 2.</li> <li>● Investigate which numbers can be shared equally by 2. Predict results for numbers greater than 100.</li> </ul>

Lesson 2:	Week 1
Title	Counting and Properties of Numbers
Learning Objective:	<ul style="list-style-type: none"> <li>● say what is happening in a number pattern</li> <li>● say what number is next in a number pattern</li> <li>● count on and back in steps of different sizes.</li> </ul>
Mental Warm Up:	You each have a number card. Is your number odd or even?
Main Lesson Idea:	Today we are going to be counting on and back in steps of different sizes.
Educational Challenges	<ul style="list-style-type: none"> <li>● Make up number chains using 'add' and 'subtract'. Predict whether the final number will be more or less than the start number.</li> <li>● Make up number chains using 'add' and 'subtract'. Ask a classmate to work out the end number.</li> </ul>

Lesson 3:	Week 1
Title	Counting and Properties of Numbers
Learning Objective:	<ul style="list-style-type: none"> <li>● count on in twos, fives and tens</li> <li>● recognise multiples of 2, 5, and 10</li> <li>● be able to explain number patterns</li> <li>● recognise that some numbers can be a multiple of more than one number.</li> </ul>
Mental Warm Up:	Today you will be counting on and back in twos, fives and tens.
Main Lesson Idea:	Today we are going to recognise multiples of 2, 5, and 10.
Educational Challenges	<ul style="list-style-type: none"> <li>● Colour in multiples of 2, 5 and 10 on a hundred square.</li> <li>● Practise recognising multiples of 2, 5 and 10.</li> </ul>
